

# FROM DROPS TO DRINK

## Protecting Tampa Bay's Drinking Water

Teachers of grades 9-12 are invited to join us for a workshop that will explore Tampa Bay's regional drinking water sources and the impact watersheds have on supply. Inquiry-based activities will be conducted. Teachers will also receive related classroom lesson plans focused on stewardship to empower students to lead the way to a healthier Bay system.

An \$80 stipend will be provided to teachers after completion of the workshop.

**Who:** Teachers in grades 9-12 from Hillsborough, Pinellas, Manatee, Polk, and Pasco counties only.
